DEDICATION

This year's "Highlighter" staff would like to dedicate our yearbook to the late Mr. Hugh Hall. Mr. Hall was a reading teacher and advisor of the Student Council for three years. He did many things for Maxson and we will never forget his cheerfulness and dedication to our school.

Dedication

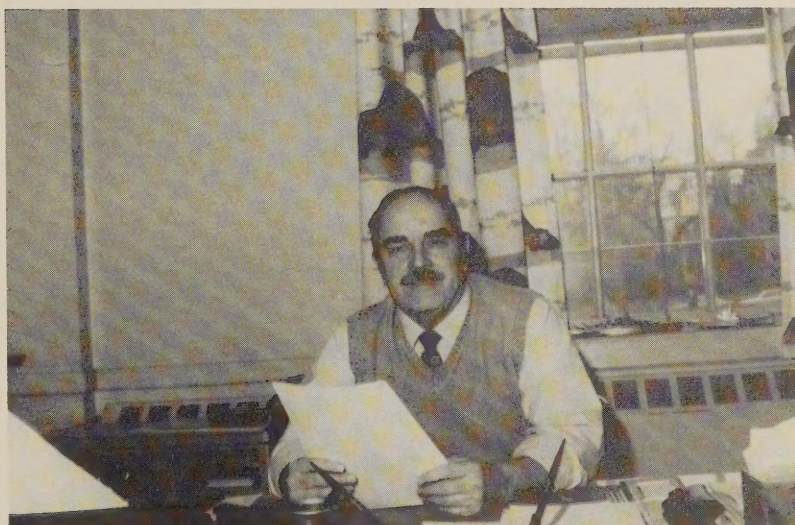

We would also like to acknowledge the death of our friendly classmate, Ricky Carter, and dedicate this book to him, too.

Principal's Message

TO THE GRADUATING CLASS OF 1982:

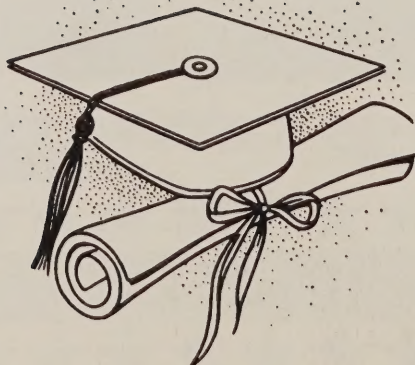

We tell each graduating class that times can be difficult and challenging and this year is no exception. Our nation is facing an economic crisis. Jobs are scarce and money is tight. A good education is more important than ever.

You must prepare yourselves for a future filled with computers, space flights, world unrest and civil dissatisfaction. You can't wait for someone to cast a magic spell to make you successful. You must dedicate yourselves toward attaining the high goals which you have set. Be conscientious and display pride in what you do. Success will follow!

We wish you the best in all your endeavors to meet the challenges that come before you.

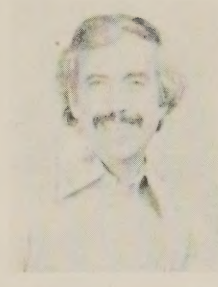

Sincerely,

Ernest P. Hobbie
